

**PILOT
PROJECT**
2023 RUBY

St LEONARDS

VINEYARD WAHGUNYAH VICTORIA AUSTRALIA

WHERE CREATIVITY TAKES FLIGHT

The St Leonards Pilot Project Range is winemaker Nick Brown's opportunity to pilot something new. It's a space for experimentation, where Rutherglen's traditions take a back seat, and imagination takes the wheel.

2023 RUBY

A CHILLED REBEL WITH TENSION

Introducing Ruby, the rule-breaker in our Pilot Project Range. Crafted from 100% Ruby Cabernet grapes, it's a chilled red that defies convention. With natural fermentation, Ruby is a masterclass in tension, presenting a delicate equilibrium of acidity and tannin. Serve it chilled, assemble your crew, and revel in its spirited notes of sour raspberries, with a hint of invigorating mint that keeps you captivated.

Pair Ruby with a charcuterie platter or follow your culinary instincts. It's your perfect partner in crime on a scorching summer's day.
