## WELCOME TO OUR BEVERAGE LIST

At Cupitt's Estate, we make everything we love to drink right here on Washburton Farm.

Our family grows Sauvignon Blanc on the property and sources fruit from some of the finest cool-climate regions in southern NSW, including Hilltops, Tumbarumba and the Canberra District. Since our first vintage in 2007, our approach has remained true: blending old-world craft with new-world curiosity to create wines that speak clearly of their origin.

Nothing brings a meal to life like the right wine. Chat with our team about our suggested pairings; they know exactly what will make your dish sing. You'll also find a small selection of back vintages available on our Museum Wine List, perfect for those who enjoy a little cellar-aged character.

Our Garden-to-Glass cocktails use ingredients from our kitchen and kitchen garden for a true taste of the estate. We also pour a rotating selection of beers crafted by our friends at Dangerous Ales in Milton, another local maker who shares our passion for flavour and creativity.

Most of our wines are available at the Cellar Door. And if you'd like to make Cupitt's part of your every day, join our Wine Club for member-only offers on wines, stays and dining.
