2023 "MIA BELLA" ARNEIS

Rosie Cupitt is in love the Italian wine region Piedmont. Famous for Barolo (Nebbiolo) and less known for a delicate and delicious white grape called Arneis. Rosie, by accident, met a grape grower from the Canberra District, while she was in Piedmont, and they hit it off with a shared love of the humble Arneis grape, who is now our grower for this fresh, floral little beauty.

2022 'THE GOLDEN CHILD'

‘The Golden Child’ is a collaboration between our head winemaker Wally and 2022 Cellar Hands Jasper and Shae. A blend of Fiano, Riesling, Viognier & Chardonnay fermented with wild yeasts and a small amount of Viognier skins. The light golden hues give way to floral, fragrant aromas of lemon zest, nutmeg and spice. It has a palate of peach and nectarine, slightly nutty notes with a finish.

CORE BEER TASTING FLIGHT

MILTON PILSNER

4.8% ABV

Griff Cupitt works tirelessly behind the scenes here at Cupitt's Estate. We brew this beer for him - it's his tippie of choice after a days work. Fermented cold with a German lager yeast, we add new-world hops for a subtle twist. Extended maturation leads to a beer that ticks all the boxes.

SOUTH COAST SESSION ALE

3.5% ABV

This mid-strength ale is anything but mid when it comes to flavour. Judicious use of Mosaic hops provide an array of tropical fruit character and a subtle bitterness, making for one moreish session beer.

MOLLYMOOK PALE ALE

5.2% ABV

Notes of grapefruit, hints of toffee and a great deal of satisfaction - this Pale Ale has it all. Cascade and Vic Secret hops steal the show, while fresh crystal malts provide a solid support.

ULLADULLA IPA

6.5% ABV

This IPA is jam-packed full of our favourite US hops. A harmony of citrus and tropical fruit, pine and resin, is underlined by a firm bitterness and balanced by just enough malt character.
