CORE BEER TASTING FLIGHT

MILTON PILSNER | 4.8% ABV

Griff Cupitt works tirelessly behind the scenes here at Cupitt's Estate. We brew this beer for him - it's his tippie of choice after a days work. Fermented cold with a German lager yeast, we add new-world hops for a subtle twist. Extended maturation leads to a beer that ticks all the boxes.

SOUTH COAST SESSION ALE | 3.5% ABV

This mid-strength ale is anything but mid when it comes to flavour. Judicious use of Mosaic hops provide an array of tropical fruit character and a subtle bitterness, making for one moreish session beer.

MOLLYMOOK PALE ALE | 5.2% ABV

Notes of grapefruit, hints of toffee and a great deal of satisfaction - this Pale Ale has it all. Cascade and Vic Secret hops steal the show, while fresh crystal malts provide a solid support.

ULLADULLA IPA | 6.5% ABV

This IPA is jam-packed full of our favourite US hops. A harmony of citrus and tropical fruit, pine and resin, is underlined by a firm bitterness and balanced by just enough malt character.

SEASONAL BEER TASTING FLIGHT

HELLES LAGER | 4.6% ABV

We could wax lyrical about this beer, it's resemblance to the liquid gold that pours by the stein in Bavaria's great beer halls, it's soft, bready malt character and faint noble hop character - but you probably just want a delicious, quaffable lager, whose presence takes a back seat to whatever conviviality you're getting up to. Tick.

HOP HARVEST ALE | 5.2% ABV

Brewed using whole, fresh hops grown by Ryefield Hops in Bemboka, this year's release sees the use of Victoria and Beedelup hops. Fermented with our house hazy strain, this beer is soft, fruity and a celebration of ingredients and their growers.

HOPPY HAZE | 6.2% ABV

Juicy hops abound in this New England style hazy IPA. Low in bitterness, this beer is all about fruit-forward hop flavour and aroma, not to mention a hop-induced haze.

DARK LAGER | 5.2% ABV

This German style schwarzbier treads a fine balance between classic lager drinkability and the moreishness of dark beer. A subtle aroma entices you into a clean and crisp palette layered with spice, roast malt and a hint of chocolate like sweetness.
