## MIXED WINE FLIGHT

### **2025 VERMENTINO**

Check out the schnoz on this bad boy! Seaspray, Anjou pear, oyster shells & lemon warheads. Oof. The palate shows salted pear-skins & finger limes, set within a round, plush mouthfeel & pulled through by smashing, crunchy, bright acidity. We couldn't make a better wine for the food & vibes of the south coast if we tried (we did try).

### **2024 ARNEIS**

Expect classic characters of pear juice, citrus, nuts and a mouth perfume of earl-grey tea. Pure, crystalline and juicy - A bottle of our region's future.

### **2024 ROSIE'S ROSÉ**

A wine made for our founder Rosie, inspired by her life, travels, and loves. For sunshine. For long lunches, arvo sessions and drinking with gusto. Made from Cabernet Sauvignon & Merlot.

### **2023 NEBBIOLO**

This northern Italian variety undergoes wild yeast fermentation with extended maceration on skins and is aged in seasoned Hungarian oak puncheons. The wine offers aromas of rose petals, bright cherry, black currant, and spice, complemented by a rustic, earthy Italian feel, supple tannins, and a long, lingering finish.

### **2023 DUSTY DOG SHIRAZ**

Hilltops shiraz writ large, with all the boldness you'd expect, just not over the top! And that's the beauty of it. All the fruit intensity and power you want from shiraz, without the crazy alcohol or hangovers.

## WHITE WINE FLIGHT

### 2025 VERMENTINO

Check out the schnoz on this bad boy! Seaspray, Anjou pear, oyster shells & lemon warheads. Oof. The palate shows salted pear-skins & finger limes, set within a round, plush mouthfeel & pulled through by smashing, crunchy, bright acidity. We couldn't make a better wine for the food & vibes of the south coast if we tried (we did try).

### 2024 ARNEIS

An intriguing drop with aromas of white flowers, honeydew, and a touch of white pepper. On the palate, it's textured and a little spicy, finishing with bright lime and stone fruit, all balanced by a fine line of acidity. Known for being incredibly food-friendly, our Gruner Veltliner is the perfect wine to pair with almost anything on your plate.

### 2024 FIANO

We never play favourites with our babies, but Fiano does receive more than its fair share of our affection. All the joy of Chardonnay, but fresher, brighter and prettier! A buoyant nose of crunchy green apple and lemon curd, the palate rich with citrus, stonefruit, and nuts, a white-floral mouth perfume and a pithy finish

### 2025 CHARDONNAY

Sometimes you see a Chardonnay and think: 'so this is what the fuss is about'. The Coppabella vineyard in Tumbarumba may just have gifted us one of these in '25. Star-bright and pale straw, radiant with sun-drenched Amalfi lemon, Bickford's lime cordial, and all the creamy, pith-y joy a heart could desire. Fair warning: it's bloody moreish

### 2024 GEWÜRZTRAMINER

Grown in the red granite soils of Tumbarumba during a warmer vintage, this wine is alive with scented rambutans, white raspberry and rose water. Tangibly oily and decadent, the wine moves into the lychee, ginger root and maraschino spaces.

### **2023 'THE POINTER' PINOT NOIR**

### **2023 NEBBIOLO**

Wild yeast fermentation with extended maceration on skins and aged in seasoned Hungarian oak puncheons. Aromas of rose petals are supported by bright cherry, black currant and spice, complimented by a rustic, earthy Italian feel, supple tannins and a long lingering finish.

### **2023 BARBERA**

Picked late in the season at optimal ripeness in the longest and coolest of vintages. Matured in 500L French oak puncheons. Elegant, dark cherry, blackberry, dried herbs, supple. Great with classic Northern Italian fare, including Bolognese, Lasagne, and Roasted Vegetables.

### **2022 CAROLYN'S CABERNET**

A rich and broody wine with dark chocolate and dark berries on the nose. This wine offers grace and structure, showcasing the finest parcels of Cabernet Sauvignon meticulously selected for its creation. 40% of the fruit parcel is fermented in oak vats, with the remaining in stainless steel. Aged for 12 months in high-quality small-format French barriques, it unveils layers of complexity that unfold with every sip.
