MIXED WINE FLIGHT

2025 VERMENTINO
Check out the schnoz on this bad boy! Seaspray, Anjou pear, oyster shells & lemon warheads. Oof. The palate shows salted pear-skins & finger limes, set within a round, plush mouthfeel & pulled through by smashing, crunchy, bright acidity.We couldn't make a better wine for the food & vibes of the south coast if we tried (we did try).

2024 FIANO
We never play favourites with our babies, but Fiano does receive more than its fair share of our affection. All the joy of Chardonnay, but fresher, brighter and prettier! A buoyant nose of crunchy green apple and lemon curd, the palate rich with citrus, stonefruit, and nuts, a white-floral mouth perfume and a pithy finish.

2025 RUBY'S ROSÉ
A rosé painted in a burnt orange hues. Raspberry compote, juicy watermelon slices, corsage and exotic herbs ground into some delicious powder. Expect a mouthful of sour watermelon lollies, zippy cranberry juice and a big wedge of orange. Fit for all purposes, sipping through guzzling.

2023 NEBBIOLO
The nose: brambly... earthen. Like crushed rose hips and terracotta in the rain. A passing ghost of dried, dark fruit. Mountain herbs, tar and creamy oak - fragrance and prettiness building with time in a glass. Tastes of spices, juicy red cherries, and black olives wrapped in adult, savoury somethings.

2022 CAROLYN'S CABERNET SAUVIGNON
This was our flagship Cabernet in '22. Dark chocolate, dark berries, dark, charry, sexy oak. Layers of complexity unfold from the inky black. A vinous night flower blooming for the moon.

WHITE WINE FLIGHT

2025 RIESLING
Wet stones, white flowers, hay in the distance, mandarin juice on your hands. These are the aromas of our 2025 Riesling. Extra time on lees has gently softened the edges off its naturally wild acidity, and gifted us a zippy, moreish, but delicate wine, with the texture of a perfectly waxed surfboard. How's that yellow fruit on the palate?! Would write more, but I've already swallowed it

2024 GRUNER VETLINER
Grown for us by Jason Brown at Tumbarumba. Look for notes of fresh cracked celery stick, lime, honeydew, and parmesan rind from this banger Austrian expat. Like a more textural, soft Riesling, try it with classic pairings like chicken schnitzel, pork knuckle, mussels or squid.

2025 CHARDONNAY
Sometimes you see a Chardonnay and think: 'so this is what the fuss is about'. The Coppabella vineyard in Tumbarumba may just have gifted us one of these in '25. Star-bright and pale straw, radiant with sun-drenched Amalfi lemon, Bickford's lime cordial, and all the creamy, pith-y joy a heart could desire.
Fair warning: it's bloody moreish

RED WINE FLIGHT

2023 ‘THE POINTER’ PINOT NOIR
It’s impossible to say ‘Pinot’ to a bottle of this! Flowers and sous bois lift, dark cherries and plum swirl, silky tannins dance, and fade into the air like ghosts. Magic with steaks, tuna, you name it.

2023 NEBBIOLO

Mountain herbs, tar and creamy oak - fragrance and prettiness building with time in a glass. Tastes of spices, juicy red cherries, and black olives wrapped in adult, savoury somethings.

2023 DUSTY DOG SHIRAZ
Hilltops shiraz writ large, with all the boldness you’d expect, just not over the top! And that’s the beauty of it. All the fruit intensity and power you want from shiraz, without the crazy alcohol or hangovers.

2023 BARBERA
Matured in Hungarian oak puncheons, it’s on the richer side of medium-bodied. Spicy, with plum & black cherry, and excellent length. If you’re normally a Shiraz person, give this bad boy a go.
