CLARE VALLEY

Established 1984

Thank you for considering Pikes for your upcoming function. If you are a bride and groom to be, congratulations on your engagement and thank you for considering us as the venue for your special day!

Pikes Wines was first established in 1984 with the purchase of 28 hectares of prime viticultural land in the Clare Valley. Since that time, the Pike family have expanded their business to include a craft brewery, modern tasting room, private cellar and restaurant, Slate.

Pikes is the ultimate wedding venue you've been searching for, and our award-winning and hatted restaurant, Slate, is the perfect place to hold your reception.

Our stunning estate also has a variety of dreamy ceremony locations, including a lush lawn area for larger weddings, or the 'Pruner's Hut' for more intimate occasions.

From small to large seated functions, the restaurant and tasting room can accommodate up to 120 guests seated, or up to 160 guests standing for a more relaxed canapé style event.

Each wedding is unique and should be treated as such! Our wonderful team at Pikes will provide you with friendly country hospitality and our culinary team will wow you with their delicious menus and expertise.

Bring your imagination and we can help create and manage your event to your specification. Contact us for a detailed explanation of our offerings and to organise a personalised tour.

We look forward to helping you create a memorable and lasting experience for you and your guests.
