Weddings & Functions
2020/2021

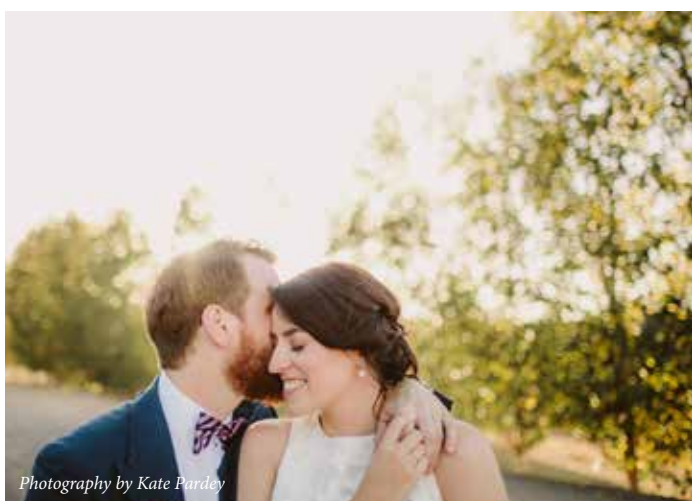

Pikes is a picturesque Clare Valley winery, brewery and restaurant, combining modern architecture with an impressive history.

First established in 1984, our Polish Hill River Estate now spans 100 hectares and offers superb vineyard views, with its gentle rolling hills.

Pikes is the perfect venue for your ceremony, large or small. Choose from the manicured garden with its large lawned space framed by historic stone buildings, or the picnic area alongside a meandering creek lined with ancient gums. Intimate ceremonies are catered for too - the cosy stone pruner's hut is perched atop a small hill, revealing striking vineyard views.

Carry on your celebrations into the evening with a reception at the award-winning and hatted restaurant, Slate. Tastefully combining slate, sandstone and native Tasmanian Oak, this space has a rustic yet über chic feel, that lends itself beautifully to any style. Slate restaurant can seat up to 120 people, or for standing cocktail functions up to an impressive 160 people.

Pikes is a full-service venue, with wine and beer provided by Pikes Wines and Pikes Beer Co. and exquisite meals by Slate, featuring standout regional and seasonal ingredients, showcasing the best of the Clare Valley.
