---THE STORY---

Ricca Terra has witnessed the on-going removal of these icon vineyards and decided to take action! Ricca Terra's vision is to seek grapes from other original soldier settlement vineyards in the Riverland, pay the owners the correct value for the grapes and make great wine. The ultimate aim is Preserving the Past and stop the unnecessary removal of historic vineyards. The Ricca Terra Soldiers' Land has the opportunity of Protecting the Future by investing in the Returned & Services League (South Australia), who play an important role preserving the legacy and looking after the men and women, and their families, who make up South Australia's armed services. Part proceeds from the sale of Soldiers Land will be donated to the Returned & Services League (South Australia).

---NOTES---

Grown on 60 year-old Zibibbo vines, the grapes were harvested in late April and dried on a 50 year-old drying racks for 45 days. The drying/Passito process is employed to concentrate the flavour of the grapes, which produced an elegant and complex wine.

Tasting Note - While Passito style wines are traditionally consumed with dessert, this zesty, flavoursome and fun wine can be enjoyed without a prescribed occasion. Match with seafood on the beach or a tumbler filled with ice on a warm summer's day, it is one that will impress.
