Our Story

Riversands Vineyards is Queensland's western most winery located on the banks of the Balonne River in St George, south-west Qld, producing 20 ha of wine and table grapes.

Riversands is a Blacket family venture purchased in 1996. Owner David Blacket said "St George is an ideal district in which to grow grapes due to the water security offered by the Beardmore Dam and deep sandy loam soils."

"Wine varieties include sauvignon blanc, chardonnay, shiraz, merlot, ruby cabernet, white muscat, black muscat & emerging varieties such as vermentino & saperavi. While we are best known for our fortified wines including our famous Golden Liqueur Muscat and St George Port, we also make a popular range of red and white table and sparkling wines."

"We also produce premium table grapes for supermarkets in the eastern states. Our table grape varieties include Menindee Seedless, Midnight Beauty and most recently Ruby Rush."

Visit our cellar

We invite you to enjoy a wine experience with a splash of bush hospitality!

Our friendly staff offer a free personalised wine tasting and share the stories of local heroes after whom our wines are named – from Dr Ernest Seidel the original wine grape grower in St George to Len Waters our famous WW2 fighter pilot.

Our sparkling wines are a taste sensation, from the light dry bubbles to the delicious rose petal aromas and strawberry and guava flavours of our Sparkling Sisters. Our newest varieties will impress, from the soft fruits of our award-winning dry vermentino to our toasty red saperavi.

At Riversands we love to support local products and have lots of gourmet food gifts, including our own range of preserves - famous grape jam, relish and chutney, St George honey, garlic and the tasty Jim's Jerky.

Visit us at Riversands to create your own 'bush story in every glass'.... or discover one of ours!

Dine in our garden cafe

After your wine tasting order smoko or lunch and relax in our outdoor garden café with a glass of your Riversands favourite!

Our garden cafe is the perfect place for families, couples, solo travellers and groups to experience the best of the St George Region.

Here you can enjoy a serving of delicious scones, grape jam and cream with excellent coffee. For a savoury lunch try our cheese platter with grape chutney or indulge in a ploughman's lunch, frittata or a tasty toasty. View our menu online and make a booking.

We cater for dietary requirements where possible. Gluten free options are on the menu and alternative milks for your coffee.

Dogs are welcome in the garden café provided they are kept on a leash but not in the cellar.

Our garden cafe provides the perfect backdrop to experience the Vineyard - you might even spot a few kangaroos lazing between the vines. Children are well catered for with plenty of space to run and play or settle in with the available colouring in or games.
