Riversands WINE S

ST GEORGE QLD

A bush story in every glass

Gorgeous little lunch stop

"Wallabies bouncing through the vines, friendly staff and awesome coffee. The perfect pit-stop located just on the outskirts of St George. Pop in for a tasting and a chat. My kids love grapes and it was great for them to see where their table grapes that we buy at the supermarket come from. Lovely grounds with plenty of tables to sit and relax under the shade of a tree."

Our Story

Riversands Vineyards is Queensland's most western winery located on the banks of the Balonne River in St George, south-west Qld, producing 20 ha of wine and table grapes.

Riversands is a Blacket family venture purchased in 1996. Owner David Blacket said "St George is an ideal district in which to grow grapes due to the water security offered by the Beardmore Dam, a dry climate and deep sandy loam soils."

Wine varieties include sauvignon blanc, chardonnay, shiraz, merlot, ruby cabernet, white muscat, black muscat & emerging varieties such as vermentino & saperavi. While we are best known for our fortified wines including our famous Golden Liqueur Muscat and St George Port, we also make a popular range of red and white table and sparkling wines.

We also produce premium table grapes for supermarkets. Our table grape varieties include Menindee Seedless, Midnight Beauty and most recently Ruby Rush.

Enjoy a wine experience the western way!

Our friendly staff will offer you a free personalised wine tasting and share the stories of local heroes after whom our wines are named – from Dr Ernest Seidel the original wine grape grower in St George to Len Waters our famous WW2 fighter pilot.

Our sparkling wines are a taste sensation, from the light dry bubbles to the delicious rose petal aromas and strawberry and guava flavours of our Sparkling Sisters. Our newest varieties will impress, from the soft fruits of our award-winning dry vermentino to our toasty red saperavi.

At Riversands we love to support local products and have lots of gourmet food gifts, including our own range of preserves – famous grape jam, relish and chutney, fortified chocolates, St George honey, G'Day garlic and Jim's Jerky.
