WINE COMPANION

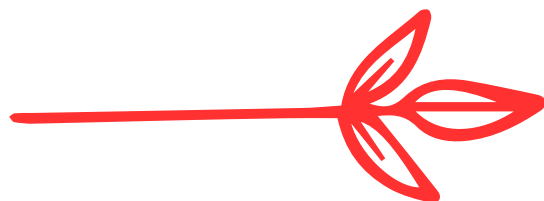

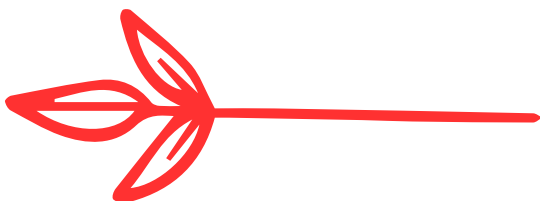

PROUD TO BE A
TOP 5 RED STAR WINERY
IN THE 2024 HALLIDAY
WINE COMPANION

We are thrilled to announce that we have been officially awarded 5 RED UNDERLINED STARS from the James Halliday Wine Companion 2024 being recognised as a winery of excellence with a long track record of outstanding quality! For the past 10 years, we have continuously held a 5 red star rating & this recognition truly means the world to us.

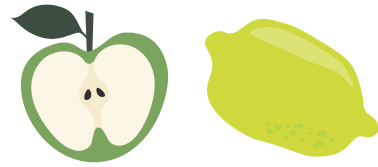

As if that wasn't enough to be proud of, our flagship varietal Riesling has also been awarded GOLD, scoring an impressive 96 & 95 points! We received 7 wine awards between 91-96 points. We are incredibly proud of our team's hard work & dedication, led by Jacob & Lisa, which results to wines of exemplary quality & character.

None of this would have been possible without the support of our amazing community of wine enthusiasts. Thank you for your continued encouragement & appreciation for our craft. We are committed to bringing you the best of the best for many more years to come.

2023 RESERVE RIESLING

This vintage is among the best we've seen in Robert Stein history and we are incredibly excited to share it with you.

Typical Robert Stein in style with aromas of lime juice and citrus notes, a rich mid palate, this classic Riesling has a bone dry, crisp and racy finish.

WINEMAKERS COMMENTS

I'm happy to be sharing this wine with you because it is one of the best Reserve Riesling examples we have made. Vintage 2023 There was a late start to harvest in 2023 with early whites being harvested the later part of February and into early March. Luckily, we had relatively dry weather in all of summer, allowing us to concentrate on ripening.

Like all good Rieslings it is a perfect match to seafood, especially oysters, prawns or super fresh sashimi.

CELLARING POTENTIAL

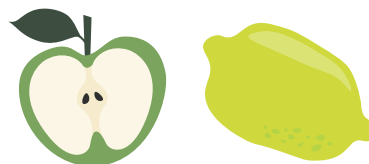

Great now, but will live for another 10+ years.

This wine will age beautifully.

2023 DRY RIESLING

The Dry Riesling is produced from premium grade fruit grown on the property as well as selected Mudgee vineyards. The whole range offers exceptional quality and value

Typical Robert Stein in style with aromas of lime juice and citrus notes, a rich mid palate, this classic Riesling has a bone dry, crisp and racy finish.

WINEMAKERS COMMENTS

We had relatively dry weather throughout summer, allowing us to concentrate of ripening. The warm dry and slow ripening conditions ensured natural acids were retained, with lower-than-normal baume, but flavours were able to develop gradually. Meaning white like Riesling are particularly exciting this vintage. One of the best Vintages we have seen in a long time!

Like all good Rieslings it is a perfect match to seafood, especially oysters, prawns or super fresh sashimi.

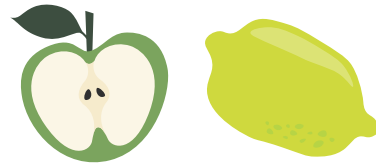

CELLARING POTENTIAL

Great now, but will live for another 8-12 years.

This wine will age beautifully.

2023 HALF DRY RIESLING

This Single Vineyard Half-Dry Riesling was harvested in the early morning from Aungullong Vineyard at Millthorpe near Orange NSW

Typical Robert Stein in style with aromas of lime juice and citrus notes, a rich mid palate, this classic Riesling with a hint of residuals that will bring you back for more.

WINEMAKERS COMMENTS

This wine has some great potential for many reasons. It was very citrus and fragrant during ferment and has finished up very nicely. The residual sugar in this vintage, gives luxurious weight to the wine and ensures it stays within the half dry category. Once again showing those great lemon/lime citrus characters, with a nice bouquet of fruit which is balanced out nicely by the crisp clean acidity

Like all good Rieslings it is a perfect match to seafood. We love it with char grilled octopus and a chilli dressing, or anything a little spicy.

CELLARING POTENTIAL

Great now, but will live for another 5-10 years..

2022 blü hen riesling

The blü hen rosé is crisp & dry, made from Sangiovese fruit with hints of bramble and lime zest

This label is all about the crisp green in the vineyard, the unfurling of new growth. The bloom in viticultural terms protects the new growth and its vitality, so this label celebrates nature in all its freshness, vibrance and youth. This wine is about innovation & the unfurling of new possibilities. Minimal skin contact during the process & unfiltered, the approach has been low intervention and let the fruit shine.

WINEMAKERS COMMENTS

We are very happy with our first release of this riesling and it was fun to make the blü hen rosé this past year. A very easy to drink "smashable" riesling.

This is a wine well suited to crispy skin salmon or even some lazy spicy nachos

CELLARING POTENTIAL

Great now!! A drink now style of Riesling
