

ROBERT STEIN
MUDGEES SINCE 1976

2012 Reserve Shiraz

Region

Mudgee, NSW

Winery Address

Pipeclay Lane,
Mudgee NSW 2850

Variety

100% Shiraz

Vintage Conditions:

Winemaking: The hand-picked fruit was fermented in small open fermenters, and hand plunged several times daily. Only the best barrels of the batch were included in the Reserve blend. The resulting wine displays a strong bouquet of blackberry and earth, with a soft but pronounced tannin structure. This wine has been minimally fined and filtered and we recommend decanting before serving.

Tasting Notes:

This Reserve Shiraz is a true expression of our 1976 Block N, planted by our family in 1976. A deep Ruby red hue leads to aromas of glazed cherry and earth notes. The palate is medium bodied but with good concentration of black fruits, savoury tannins and great length. This Reserve Shiraz would benefit from cellaring and we recommend decanting before serving.

Analysis:

- Alcohol 13.5%
- Residual Sugar
- Titratable acidity 6.2
