2015 Semillon

Region

Mudgee, NSW

Winery Address

Pipeclay Lane,
Mudgee NSW 2850

Variety

100% Semillon

Vintage Conditions: 2015 was a great vintage in Mudgee producing excellent fruit across all varieties

Winemaking: 3 months lees contact adding complexity and softness.

Tasting Notes: A modern take on a classical Mudgee variety, this wine is pale green in colour, with intense citrus, green apple and grassy notes on the nose. The palate has great length with lemony acidity, ripe fruits and a nice mineral drive. An extremely fresh and approachable Semillon.

Alcohol: 12%
