

shadowfax

Our philosophy in the restaurant is the same as in our winery – to showcase the finest quality regional produce. It begins right here at Shadowfax, with our vineyard and kitchen garden, and continues through to our vineyards in the Macedon Ranges and Geelong, and even manifests in our restaurant's commitment to representing craft breweries and distillers on our drinks list. All of this combines to create an authentic, contemporary dining environment with a Mediterranean influenced menu designed to match with our award winning wines.
