CLARE VALLEY

2021 RIESLING CLARE VALLEY WATERVALE

After making wine in Clare for almost two decades, these wines are my personal project. I've selected the best parcels of fruit to showcase the regional and varietal flavours in their purest form. Drink chilled with great friends.

Vineyard & Vintage:

The Watervale sub-region of Clare is renowned for it's Riesling, and this 1970's – planted single vineyard was selected for the exceptional fruit it bears. The soils profile is classically Clare; terra rossa red loam over limestone, with interspersed patches of slate.

Winemaking:

The fruit was harvested in the cool of night and delivered to the winery at dawn where it was destemmed and gently pressed. The ferment was cool and controlled with minimal intervention to maintain the delicacy and purity that is representative of this unique site.

What you see:

Pale yellow with a green hue.

What you smell:

Freshly sliced limes, with notes of fennel and vibrant apple blossom.

What you taste:

Bright citrus – lemon and lime. Refined minerality with beautiful austerity and a dry, delicate yet juicy finish. Poised and focussed.
